As SALSU sponsor, Fain Nahab has dedicated more than time to help the officers. He has been an asset to making our lives less stressful and having our backs. We all thank him from the bottom of our hearts for his willingness to stick by us. Even these few words cannot convey our appreciation for his dedication and support.

My biggest thanks and appreciation are due to Nic Sanchez, as I could not have imagined a more fantastic editor. This yearbook is a complete success because of his unswerving dedication, incredible talent and willingness to lose sleep. He has spent the past two years of not only designing Visions but also Perspectives and it has been a joy to work together. I am also grateful to the SALSU officers for their work for this publication, Fain Nahab for his excellence as our sponsor, and others who know exactly who they are for their support.

Nic says thank you to Nickle, Ev, Cabel and Jacquie specifically. Thanks to everyone else for everything else.
